Dear Commissioners;

Since LPSCO has a monopoly on the water supply in Litchfield Park, we are unable to purchase it elsewhere. In this current economy it is not a good idea to raise their prices, let alone 81% to 123% permanent increase.

I was happy to hear the Salt River Project reconsidered raising their rates because of the present economy.

We protest raising the rates for the Litchfield Park area. Please make a consideration against the rate increase. Thank you for your assistance in this matter.

Sincerely;
